November 9, 2026

Dear Parents and Volunteers,

We truly appreciate your help and support. It would be impossible to create this wonderful production without you! **Please read through this entire packet.** We will have a mandatory **Pre-Production Parent meeting for ALL volunteers and parents of first-time Nutcracker dancers on Saturday, December 12 at 12:15 p.m.** The meeting will cover important information for those fulfilling their Helping Hands requirements during theatre week and important information, including theatre schedule, hair, and make-up.

Enclosed you will find the following: a Production Week rehearsal schedule, Helpful Hints, Hair Requirements, at home Makeup Requirements, and the **Digital Download** order form. The Backstage Rules and Etiquette is to be filled out through this link **https://forms.gle/8eV2PxaSU88jL2LZ7.** and MUST be "signed" by both a parent/guardian and the dancer and returned to Western Arkansas Ballet by Saturday, December 12.

We will begin rehearsals at the ArcBest Performing Arts Center on Tuesday, December 15, and there is a chain of command set up to allow for a safe environment, and smooth-running rehearsals and performances. Please notice the **Tuesday rehearsal begins with Act II and is followed by Act I rehearsal** and **Wednesday is in show order**. Thursday is dress rehearsal FULL CAST.

The Backstage Coordinator (Amber Bryant), in addition to the wonderful volunteers at the security desks, know what Western Arkansas Ballet Staff expects and have the authority to maintain these expectations. These rules and guidelines are for the safety of your child, and we expect you and your child to follow them.

We do realize that this can be a time of high anxiety. Please work together and remember to respect others as you would like to be respected. Thank you to each and every performer, parent, and volunteer for your cooperation and your immense dedication of time and talent.

Happy Nutcracker!
Respectfully,
Mr. Jared Mesa & Mrs. Brianna Mesa

Hints to Surviving *The Nutcracker*

Dress Rehearsal is on **Thursday (NO MAKEUP)** and **Friday (FULL MAKEUP)** nights. For both Thursday and Friday, every dancer needs full hair & costume for every part, including the correct color and type of shoes, tights, etc. The more the dancers practice in full costume, the better they will feel and look during performances.

Health and Safety For the health of all involved in the production, if you dancer is ill, please stay home.

Hair*Hairnets are excellent to keep buns in place and can be purchased at most retail stores including Dollar General, Walgreens, or Wal-Mart. Be sure to buy an appropriate color for the dancer's hair. Gel or mousse work great for getting those little loose ends up. A hairbrush, bobby pins, hair gel, hair spray, etc. should be sent with the dancer. Please make sure your child does not have any unnatural haircolor.

Makeup
*Please watch the makeup video and have dancer's hair and makeup complete prior to arriving at the theatre. **The make-up video is posted on our website on the productions/cast forms tab.** **https://www.waballet.org/productions/cast-forms/**. ***Please use the makeup tutorial on Buffoons for Polichinelles.**

*Gel-type baby oil works great to remove the adhesive felt circles used on the dancers' faces.

*The face makeup can be a little harsh on young skin, so you may want to start applying a moisturizer a few days before dress rehearsals begin to condition the skin.

*Dancers should remove all nail polish on fingers and toes before dress rehearsals and performances.

*Please bring your own makeup remover to the theatre. Ponds is a great choice for young skin because it is so moisturizing.

Wardrobe
*Please be sure that your dancer has both dance shoes, right and left, and anything else needed for the costume that must be brought from home. This saves a lot of frantic phone calls and anxiety for everyone!

***Please label EVERYTHING with the dancer's name.**

*Please send a small bag labeled with your dancer's name to the theatre with your child to keep clothing and personal items in while in the dressing room. This will prevent lost clothing and other items.

*No panties under leotards please!

*No jewelry.

Angels *Angels need a very light colored leotard under their white robes. Very light pink, very light blue, or white works best. Please no lavender. The Angel's hair needs to be pulled up as high as possible to accommodate the halo.

Prior to Arrival at the Theater
*Please be sure that your dancer has had a good meal before arriving at the theatre.
*Please arrive with complete hair and makeup (Thurs – Sun)
*Please send a water bottle with your dancer. The theatre is dry and it reduces trips to the drinking fountain.

Backstage
Each scene (i.e. Party Scene) has a specific call time, so please pay close attention to the schedule.

*Act I dancers will be dismissed at the end of their scene's rehearsal. Beginning on Thursday, your dancer must be picked up at intermission if in Act I only, or after the performance if in both Acts, or in Act II only.

*No one is allowed to release dancers from rehearsals except Mr. Mesa. If you must leave a rehearsal at a specific time, it is best to address this with Mr. Mesa prior to arriving at the theatre. The rehearsal schedule will be followed as closely as possible, but please remember that a quality performance takes lots of attention to detail, and things sometimes take a little (or a lot) longer than expected.

*Please be patient when waiting to pick up your child after dress rehearsals and performances. Remember that removing makeup and changing clothes takes some time, especially for younger dancers. Your child will be escorted to the security desk as soon as possible for pick up.

*Sound carries easily in the dressing room, so everyone needs to remember to keep the noise to a minimum in the dressing area and be especially quiet when in the hallways, going back and forth to the stage. Please talk to your child about this before coming to the theatre.

*It is in everyone's best interest to adhere to the following rule if you have a question at the theatre: **Please speak to Mrs. Amber Bryant, Backstage Coordinator,** who will then take the issue to **Stephan Copeland, Stage Manager,** who will take the issue to Mr. Mesa. This saves a lot of time and frustration for everyone.

Gifts
*A gift table will be located at the security desk. Once your child is checked in, please drop off any gifts/ flowers at the security desk. Please make sure their first and last name and part are tagged on the gift/flowers. Your child's gifts/flowers will be put together in a bag/box to be picked up in **meeting room 7** in the theatre lobby when they leave on Sunday.

*Party adults may purchase small gifts for their "children". Often, lead characters also give small gifts to their "group" (i.e., the Angels may give gifts to the Little Angels). These are usually just little candy bags, small ornaments, or some other token. Please understand that this is optional, not required, and not all dancers receive gifts. Please, no homemade food items.

With a little consideration and cooperation, this will be a very memorable and enjoyable event for everyone!
